YOUR COSTS WITH THE

# QUINCY

REBATE PROGRAM

Now's the perfect time to switch from your oil-flooded compressor to an oil-free one—and get **CASH BACK** when you make the switch!

Count on **Quincy** to help you make the switch! We are currently offering \$60 per HP for fixed-speed machines and \$100 per HP for Variable speed compressors. PLUS Quincy will cover the shipping costs to remove your old unit, making the upgrade process a seamless one.

Switching out your old compressor will save you on energy costs, minimize your downtime and increase productivity.

Fixed Speed Rebate	
Horsepower	Estimated Rebate
75	\$4,500
100	\$6,000
125	\$7,500
150	\$9,000
200	\$12,000
250	\$15,000
300	\$18,000
350	\$21,000

Variable Speed Rebate	
Horsepower	Estimated Rebate
100	\$10,000
125	\$12,500
175	\$17,500
200	\$20,000
250	\$25,000
300	\$30,000
400	\$40,000

## If you switch to an oil-free compressor today through the Quincy Rebate program, you will:

- Only need to change the oil once every 2 years
- Never have to worry about water treatment - which saves you BIG \$ on equipment and filtration systems
- Save money on labor costs
- See an ROI in 2-3 years choosing an oil-free compressor

Don't wait on making the upgrade - our rebate program is one of the best in the market, and so are our machines!

Contact one of our air experts today to get started.
